Visa

The sending and receiving institutions will provide assistance, when required, in securing visas for incoming and outbound mobile participants, according to the requirements of the Erasmus Charter for Higher Education. Information and assistance can be provided by the following contact points and information sources:

D GELSENK02
 Ms Regina Klauke

<http://www.en.w-hs.de/study-at-the-wh/office-for-international-students/>

TR ISTANBU07

<http://www.konsolosluk.gov.tr/tr/en/start.aspx>

The institutions will work according to the principles of the Erasmus University Charter and state that they will facilitate information on any issue that can facilitate the mobility of students and teaching staff. Requirements described in Appendix A are part of this agreement.

Both institutions confirm that they will send students for study and placements purposes under the principles of the EU-Charta and that students will be selected according to the principles of academic excellence. The academic supervisors confirm that they will supervise study and placement mobility with due respect towards the ERASMUS principles and bearing in mind that at least 20 ECTS credits will have to be proved for the ERASMUS semester abroad.

Both institutions confirm that students will receive a transcript of records in due time after the end of the period abroad through the respective international students' offices so that their credits can be assessed at the home institution.

Teaching and staff mobility will be organized according to the principles of the ERASMUS Charta.
