F. Information

BG SVISHT002 – Marks at the D. A. Tsenov Academy of Economics are awarded on a scale of 2-6 (6 being the highest). This corresponds to grades F-A. If the grade is between 2.00 and 2.49, the student cannot sit the final exam. A certain number of credits are awarded for each examination. "Credit" in the ECTS context represents a unit of work that the student must complete in connection with his/her education in a specific course in order to successfully complete a semester or an academic year. Most frequently, credits represent the time spent by the student for the preparation of a given course, attendance at lectures and self-study assignments.
